- Find places in Israel which start with the letter **K**
- In how many places in Israel the word "**Beit**" appears
(for instance: Beit Shemesh)
- Look at the Northern part of the map. Find Haifa (where the cable cart is) and find Karmiel (near the dancing children).

Which of the two is **Westernmost**?

- Look at the Southern part of the map. Find Sde Boker (where the wooden house with the legs is) and find Eilat (where Ototo dives).

Which of the two is **Easternmost**?

- Estimate without counting what is there **more** on the map?

Children or adults?

Cars or birds?

Toys or camels?

Trees or flowers?

Now count and find the answers.

- How many white animals are there on the map?
- How many brown animals are there on the map?
