

What more can you do with the map?

- Find on the map where your uncles and grandparents live.
- Where in Israel did you spend your best holiday?
- Where is your favourite hiking trail?
- Where is the best view in Israel?
- Point with your finger the migration route of one of the birds.
From where do you think it came and where is it going?
- What is the colour of the map in the South? And in the shore?
- What is the colour of the wooden house in the South?
- What is the colour of the mattress in the Mediterranean sea?
- How many flowers can you count on the map?
How many red ones did you count?
- How many trees can you count on the map? Do you know their names?
- How many camels are on the map? How many humps are there all together?
- Whose legs are the ones behind the wooden house in the South? Why are they barefoot?
- Who sleeps in the tent at the Sea of Galilee beach? Where will they hike?
- Where are Hipposha and Tender driving to? Will they meet?
